

**Dear Parents/Students,**

Please find attached the registration form for the summer semester. Please keep in mind that there is no "formal" time frame for the summer semester, I know we are all going to try to travel once again if possible, and for this reason parents, students can sign up for as many lessons as time allows within the weeks that I am teaching.

Regarding scheduling lessons, please let me know WHICH weeks you are here, and what time frame works best. I am offering virtual lessons via Facetime all summer, as well as Sunday lessons for my CT students (6/13, 7/18, 8/1).

When giving options for lesson times PLEASE give me a few options, (IE DAY, time frame) and I will do my best to accommodate your schedule. Please understand that I will try to put lessons whenever possible back to back so that I too can have the flexibility to do day trips etc.

**Again, here are the weeks I will be available to teach:**

June 13-18

June 28-July 2

July 18-24

July 26-29

August 1-6

August 23-27

I will offer AM lessons a few days a week as well as evening lessons a few days a week, depending on when the most people are available. Thank you so much as always for entrusting me to teach you or your child!

Yours,

Houry Yapoujian Schmeizl
